

## **Monday, April 10 – Pre-Voyage Announcement by Dr. Wise**

Dear All,

We have arrived in La Paz Mexico and have spent the day gearing up for sea and are still hard at it. I have added a bunch of emails so I need to test the list again. If we have internet signal - you will receive the email each day. If not, we will catch up when we do have it. Attached are photos of Johnny and Rick working on our buoys and a tiny duck that was attracted to the test of one of them.

If you are getting this email - you are on our voyage email list. We are soon to launch our Sea of Cortez voyage and hope to send an email each day from the boat.

If you want to follow along - you don not need to do anything and the emails will be sent to you.

If you know someone who wants to be added - please send me their email and we will get them added.

If you are on this list in error - please reply to me and let me know you would like to be removed from the list.

Talk to you soon from sea!

Thanks

John
